

# 2024 New Mexico TechFest

*an ARRL-sanctioned Operating Specialty event*

sponsored by

**Rocky Mountain Ham Radio, New Mexico**

Saturday, February 24, 2024

UNM Continuing Education Conference Center  
1634 University Blvd NE, Albuquerque, NM 87102

*TechFest is a hybrid event: Both in-person and online via Zoom, for those unable to travel or attend in-person.*

**J**oin fellow amateur radio operators from around the Land of Enchantment for a day of quality presentations, demonstrations, and instruction provided by some of New Mexico's most experienced technical hams on a variety of emerging and relevant technical topics within amateur radio today. The New Mexico TechFest is designed to provide a unique opportunity for all hams interested in the technical aspects of our hobby to advance and expand their technical knowledge and to facilitate technical discussion, collaboration, and ideas with one another.

## EVENT OVERVIEW

- **Technical Presentations:** Up to six presentations on emerging and relevant amateur radio technical topics, techniques, or applications
- **Technical Posterboards & Demonstrations:** Tables provided for attendees to set up and conduct posterboards and informal technology/project demonstrations between presentations, during lunch, and at the conclusion of the event
- **Prizes:** Ham-specific and presentation-related prizes drawn throughout the day
- **Complimentary Refreshments & Snacks:** Coffee, water, and light snacks
- **Event Schedule and Presentation Lineup:** See TechFest website
- **Admission:** \$15 - Online pre-registration is required for all attendees
- **Catered Lunch:** Optional for in-person attendees, purchased at time of registration

*Mark your calendars, spread the word, and join us for TechFest 2024!*

## CALL FOR PRESENTATIONS, POSTERBOARDS, AND DEMOS

The New Mexico TechFest seeks high quality presentations, posterboards and demonstrations on emerging and relevant amateur radio technical topics, techniques, and applications. Hams interested in presenting at TechFest should submit a summary/abstract of their proposed presentation/posterboard/demo by **January 27** for consideration. See TechFest website for submission details.
